PROFILE

Registered Nurse since March 2020 with primary experience in med surg. I am passionate about the guidance and care I offer to patient and their families as they transition from acute settings to the next step of care.

EXPERIENCE

REGISTERED NURSE, AURORA MEDICAL CENTER-BAY AREA; MARINETTE, WI – 2020-PRESENT

Registered Nurse that is responsible for coordinating care during stay and assisting the patient with healthcare services at discharge. Duties include but not limited to critical thinking, assessments, communication with several departments, medication management/administration, infectious diseases and maintaining high standards of safety of the 42 bed med surg unit. I was chosen for a position as a safety champion that aids in ensuring safety protocols are met/followed and monitoring of MIDAS reporting with direct interaction with management for solutions to safety issues.

CAREGIVER, EMPOWERMENT LIVING SERVICES; NEENAH, WI – OCT 2016-OCT 2019

This position was the management of an individual adult family with 1-4 patients in each home with rotating assignments between various houses. Duties included but not limited to guidance to living a more independent fulfilling life. Aided the patients with maintaining jobs in the community, improving social interaction abilities, medication administration, driving to appointment and attending local events in the community. As a caregiver, expectations were to maintain professionalism in both the patient's home but be a positive representation in the community with awareness for those with developmental issues.

CNA, PINECREST; POWERS, MI – JUNE 2005- OCTOBER 2007

Position included working with long term patients, acute rehab patients and special care unity (dementia, Alzheimers). Duties included but limited to ambulation, intake and output reporting, repositioning, assisting with meals, maintaining ADLs and transportation to onsite services. Clear, effective communication between LPN, RN supervisor, physical therapy, dietary, speech therapy. Maintaining a safe, clean and professional atmosphere for all patients and their families.

EDUCATION

Rasmussen College of Nursing; Green Bay, WI- ADN-RN, Graduated December 2019.
