Caring and compassionate Registered Nurse with clinical, customer service, communication skills, and an ability to quickly learn new concepts and skills. Looking to bring expertise in patient care to a growing hospital setting or clinic. Highly accomplished in quickly building rapport with patients, performing assessments and using clinical knowledge and skills to treat patients. Committed to working as part of a team to deliver high-quality care to diverse patient populations. Prepared to bring hands-on experience in delivering culturally competent care when improving delivery and quality of care.

Authorized to work in the US for any employer
