My goal is to obtain a position as an LPN within a company that will allow me to grow individually while utilizing my people and effective communication skills developed through experience, as well as serving as an asset to the company and work as a team player. I believe my prior job experience has provided me with the necessary skills required to efficiently and accurately complete the necessary duties required in this position

Work Experience

LPN-Detox Technician

Crossing Healthcare - Decatur, IL

October 2019 to Present

Taking vitals and checking the condition of patients in detox. Grading the stages of the detox and charting the symptoms of patient withdrawal. As a nurse I distributed medications at ordered times as well as lab draws.
