Work Experience

CNA - Certified Nursing Assistant

Tryon Estates - Columbus, NC

Present

I currently screen patients into the facility as well as log in their personal information into the computer upon arrival.

Pouch Operator

Baxter Healthcare - Marion, NC

October 2019 to October 2020

I'm currently a pouch operator at Baxter Healthcare. I pouch IV Bags that are to be sent to various medical companies, hospitals and homes to help save and maintain lives as well as give proper and final inspection before leaving the facility.

Quality inspector/dispatcher

Timken Company - Rutherfordton, NC

January 2017 to September 2018

I worked in Quality/Metrology checking radius on barrings to be ran. I kept account of how many Machines were

running each day. I was also a dispatcher for supervisors who needed the right person sent out for different jobs around the company that needed immediate assistance for repair as well as scheduled all meetings throughout the day.
