EXPERIENCE

REGISTERED NURSE / BAPTIST HOSPITAL OF MIAMI

October 2019- Present

- As a registered nurse my job is to ensure quality patient care from arrival to the unit to discharge or admission to the hospital. Record patients' medical history, vital signs and test results in medical records and chart. Develop patient care plans, including assessments, evaluations and nursing diagnoses. Administer intravenous therapy, perform blood tests and assist patients multiple diagnoses and act as patients advocate and implement total patient care through a team nursing process.
- Ensure HIPAA compliance by maintaining patient privacy and confidential patient information
- Work with other clinical staff to process patients, greet visitors and establish the purpose of their visit to ensure timely completion full patient care.

REGISTERED NURSE (CHARGE) / MERCY HOSPITAL

October 2017-October 2019

As a Charge Nurse my job was to oversee other nurses and help treating patients while assessing other nurses' performance, guiding and motivating the other members of the staff, completing administrative tasks, and ensuring a high level of patient care.
