Work Experience

Cashier/Customer Service

Walmart - Minneapolis, MN

January 2021 to July 2021

I worked as a cashier and upfront. I did mostly customer service and worked in the self-checkout. I worked with customers coming in with food stamp cards, tax exemption, checks, etc. Also did infection control when coming down to COVID and the store policy.

Dietary Aide

Presbyterian Homes & Services - Minneapolis, MN

June 2020 to February 2021

I work as a dietary aide and one of the things I do is provide food for residence. Wash dishes and sanitizer to make sure everything is in order. I also sweep and mop the floors to make sure everything is clean before I leave for the day.

Dietary Aide

Trillium Woods - Plymouth, MN

February 2020 to April 2020

I worked as a dietary aide where I washed dishes, served residents and stocked food. I was able to have a really good experience with working with elderly people and helping them through the day. I would serve them in their rooms because of COVID and I was able to also serve them in the dining room as well. What I would basically do would be to serve the residents, grab their trays, wash them and then clean up.

Food Service Worker

Taher.inc - Plymouth, MN

July 2018 to September 2018

I worked as a food line worker with other people to package food. I put boxes in a cooler and I put labels on lids and bowls. I liked working there because the people were really understanding and it was new for me so I gave it a try.

Education

I am currently still in high school in 12th grade majoring in nursing and business in Nursing

Robbinsdale Cooper Senior High School - Plymouth, MN

September 2018 to Present
