Objective: A Registered Nurse with 28 years' combined experience in ambulatory surgical care, pediatric intensive care and oncology. Seeking a PRN/part-time role allowing an opportunity to continue my career caring for patients.

PROFESSIONAL HISTORY

UF Health, Gainesville FL; 6/2002 – 5/2020

Pre-Op RN (Florida Surgical Center)

- Care of the perioperative patient including point of care labs (I-Stat), IV starts, port-a-cath access
- Performed comprehensive pre-op H&P
- Performed pre-op diagnostics as ordered by anesthesia or surgical team
- Monitored patient post pre-op procedure prior to surgery
- Provided post-op education for patient and family regarding regional anesthesia (block)
- When assigned, assisted anesthesia with regional blocks (regional anesthesia) for upper and lower extremity orthopedic procedures
- Requested records from external sources for same-day procedures, as necessary

Recovery Room RN (Florida Surgical Center)

- Monitoring of patients immediately post-op general anesthesia or conscious sedation local procedures
- Removal of LMA as necessitated
- Comprehensive patient education prior to discharge

Float RN (SICU, MICU, Burn Unit)

- Care of very medically-complex patients
- Monitored SWAN lines
- Monitored complex EKG rhythms
- Monitored hemodynamics of intubated patients
- Performed complex dressing changes for burn patients
- Assisted with complex wound care for compromised patients

Childrens' Healthcare of Atlanta, Atlanta GA; 6/1998 – 5/2002

Pediatric ICU RN

- Assigned to ICU-C and frequently floated to ICU-B and ICU-A
- Care of the technology-dependent pediatric patient
- Care of ventilator, dialysis etc dependent patients
- Care of the family while patient is in ICU setting
- Care of the neonatal patients in an ICU setting

Hamilton Medical Center, Dalton GA; 6/1996 – 5/1998

RN - SICU

CVPH Medical Center, Plattsburgh NY; 6/1994 – 5/1996
