Volunteer Work Experience/Leadership

I have been involved in the Mahaska County Community Emergency Response Team (CERT) since the program began 11 years ago. During my involvement we have assisted with numerous natural disasters, RAGBRAI, house/building fires, & the 2020 Derecho. I was a captain for 2 years. As a captain I gave my team instructions on how to handle specific situations and directed which roles each of them would play which taught me how to be a leader in stressful situations. Acquired 2.5 years of dementia unit experience and gained valuable knowledge on how to best care for those affected with the disease during my time at Windsor Manor. Gained valuable knowledge of how to care for pediatric clients with medical needs in their homes.

Education

Indian Hills Community College (2016) – CNA Degree
North Mahaska Community Schools (2017) – High School Diploma
Indian Hills Community College (2018-2019) – LPN Degree
Marshalltown Community College (Currently enrolled) - RN Degree
