Work Experience

Clinical Informatics Nurse

UnityPoint Health - Peoria, IL
June 2009 to Present

In my current role, I train new staff (Nurses, CNA's, CMA's, Case Managers, Social Workers) on Epic. I also train nursing instructors prior to them brining their students to UPH for clinicals. When I'm not training I sit on meetings and vote on changes to our EMR. Those changes are then part of my rounding when I visit my assigned units and councils.
Prior to this, I worked on an acute post surgical unit for 6 years specializing in ortho - neuro. During the first wave of COVID I worked our COVID ICU for 12 weeks and assisted with the public vaccine clinic until May and have since returned to my normal office setting but still task on the units to help when they are busy as well as assisting with our staff flu vaccine clinics.

LPN

Country Comfort - Elmwood, IL
October 2018 to March 2021

Medication administration and wound care to individuals with dementia/Alzheimer's. This was a small facility where nurses shared CNA roles and assisted with meal prep. I would help switch MARs over each month and reorder medications.

Education

College Degree in nursing

Carl Sandburg College - Galesburg, IL
January 2005 to January 2007

Skills

- Epic
- EMR systems
- Nursing
- Experience administering injections
