I am a hardworking Registered Nurse with success providing individualized patient care. Committed to delivering best-in-class patient care through effective education and counseling. Proven leadership focused on increasing and enhancing patient care and satisfaction. I have experience in all aspects of patient care with success in working with multidisciplinary teams to create care plans focused on helping patients recover from medical or surgical procedures and manage long term resident care plans. Accomplished in leading health care staff to improve delivery of care and patient satisfaction.

Authorized to work in the US for any employer
