## EXPERIENCE

---

**Charge Registered Nurse, Loyola University Medical Center**, Nov 2018 - Current, Maywood, IL

- Trained, guided, and managed new staff on proper unit procedures.
- Complied with HIPAA guidelines in all areas of work.
- Recognized changes requiring nursing intervention and implemented appropriate care to reduce risks.
- Worked with physician's and multidisciplinary organizations to coordinate continuum of care.
- Monitored patients closely to spot problems and reported serious concerns to treating physicians for timely interventions.
- Assisted unit staff in problem solving skills, and ensured unit conducted efficiently when in charge.
- Worked side by side with the nursing supervisor to maintain a staffed unit.

**Home Health Nurse, Advocate Home Health**, Feb 2019 - Jan 2020, Lombard, IL

- Facilitated admission, case management, and follow-up skilled nursing visits to treat home health patients.
- Educated patients about health maintenance and disease prevention to improve long-term outcomes.
- Evaluated physical, psychosocial, and environmental needs at each visit to maintain optimal care levels.
- Educated patients and caregivers on medications, diet, and exercise plan to maintain patient care.
- Implemented patient care plan in conjunction with patient and family to achieve optimal problem resolution.

- Recorded patients' medical information and vital signs.

**Lead Registered Nurse, Manorcare of Westmont**, Mar 2018 - Nov 2018, Westmont, IL

- Lead and maintained and collaborated with nursing supervisor on the Heritage unit ensuring continuum of care in acute care patients.
- Identified deviations and wellness changes and made recommendations, adjustments, and reports.
- Maintained safe, caring environments for patients and families.
- Completed detailed patient intakes, including documenting patient histories and current vitals.
- Administered prescribed medications and monitored patients for side effects and adverse reactions.
