

TERRY M. JOHNSON

Wataga, IL 61488, 9186931583, mikej0827@gmail.com

PROFESSIONAL SUMMARY

Caring and detailed orientated LPN with demonstrated clinical background, excellent communication skills, attention to detail and recently obtained utilization review experience with Remote Learning Services course in UR 101. I pride myself on having a solid knowledge base, high level critical thinking skills and ability to apply evidence-based guidelines during the determination process. My background in LTC/Rehab nursing has given me the foundation that is needed in UR by using my knowledge through experiences in acute and chronic care environments.
