Authorized to work in the US for any employer

Work Experience

CNA - Certified Nursing Assistant

Columbine Health Systems - Loveland, CO

May 2018 to Present

I have experience with different patients. I have worked with Hospice, Long term, Dementia, Alzheimer's, ms, and Rehab.

as well as feeding even a resident to attend with shower and the activities of their daily life.

As well as bringing some company and a nice atmosphere to my patients for them to feel save and comfortable.

I love feeling like I'm helping someone and bringing that little extra help that will probably be a lot for some else. It's amazing having the ability to help others and seeing progress from it and even a smile will bring a better day.

CNA - Certified Nursing Assistant
