## Work Experience

---

### **Pediatric Home Health RN**

Angels of Care Pediatric Home Health - Colorado Springs, CO

December 2018 to Present

I am a Pediatric Home Health care RN working one on one in homes to support children requiring medical care. My duties include assessments, medication administration, collaboration of care with therapists and specialists, all aspects of ADL's needed, as well as high levels of care involving things such as ventilator, trach, and/or G tube management.

### **CNA - Certified Nursing Assistant**

MGA Home Healthcare - Colorado Springs, CO

May 2016 to Present

I am a CNA for my daughter, as she has Down Syndrome and qualifies for in home CNA support for assistance with ADL's. My duties include assessments, PT exercises, bathing, meal prep and feeding, and care of her needs regarding aspiration, CPAP and seizure precautions.

### **Certified Health Coach**

Optavia - Colorado Springs, CO

February 2013 to Present

I am a Certified Health Coach, working one on one with direct client coaching and support. My job is to help people achieve their health goals through proper education and nutrition. Disease prevention and management are key goals, as well as achieving a healthy weight.

### **Registered Nurse**

MGA Home Healthcare - Colorado Springs, CO

April 2018 to December 2018

I was a Pediatric Home Health care RN working one on one in homes to support children requiring medical care. My duties included all levels of assessment, medication administration, collaboration of care with therapists and other specialties, and all aspects of ADL's needed.

### **LPN**

Boulder Manor - Boulder, CO

September 2004 to May 2007

As an LPN in a LTC and rehab facility, I provided direct patient care to include assessments, medication administration, collaboration of care, PT exercises as recommended, patient education, and assistance with transfers and all ADL's.
