CNA - Certified Nursing Assistant

Oakpark Place - Appleton, WI

October 2018 to December 2018

Responsibilities I work as a caregiver (resident assistant) and I am a CNA, I help residents that are less independent and can't provide the necessary care that many need to continue living a fulfilling life. The goal is having the resident living in one of the facilities apartments and having the RA's come in and assist with any needs. the majority of the residents have lost the ability to do the cares themselves or that they can no longer do the cares because they have a disease called Dementia. Accomplishments Making the time at the facility for the residents enjoyable and manageable. Skills Used Dementia Care Ambulations Oral Care Peri Care Basically all the needs that most younger ages can do for themselves.

CNA - Certified Nursing Assistant

Century Oaks Assisted Living - Appleton, WI

September 2016 to December 2018

Responsibilities I work as a caregiver (resident assistant) and I am a CNA, I help residents that are less independent and can't provide the necessary care that many need to continue living a fulfilling life. The goal is having the resident living in one of the facilities apartments and having the RA's come in and assist with any needs. the majority of the residents have lost the ability to do the cares themselves or that they can no longer do the cares because they have a disease called Dementia.

Resident Assistant

Valley VNA - Neenah, WI

March 2015 to September 2015

Responsibilities

I work as a caregiver (resident assistant) and I am a CNA, not licensed yet, I help residents that are less independent and can't provide the necessary care that many need to continue living a fulfilling life. The goal is having the resident living in one of the facilities apartments and having the RA's come in and assist with any needs. In Valley VNA's more dependent assisted living side cares are provided to the residents since the majority of them have lost the ability to do the cares themselves or that they can no longer do the cares because they have a disease called Dementia.

Accomplishments

Making the time at the facility for the residents enjoyable and manageable.

Skills Used

Dementia Care

Ambulations

Oral Care

Peri Care

Basically all the needs that most younger ages can do for themselves.

Crew

Noodles and Company - Appleton, WI

September 2014 to April 2015

Responsibilities

At my current job I am a Server, Busser, and Cashier

Accomplishments

Gained more people skills. I enjoy helping others out, also making others days better by showing them that we do actually care about them. I've accomplished making new friends with some great coworkers and having good relationships with my managers.

Skills Used

While working this job I have become a harder worker and more of a team player, also I have learned new techniques to be more efficient with certain tasks. I've always been up for covering shifts that need to be covered and helping others out.

Crew

Dunkin Donuts - Appleton, WI

November 2012 to September 2014

Responsibilities

I worked cashier, prepared food, made coffee, and worked drive through.

Accomplishments

I learned to open up more and be more social with the customers. Also to help my fellow coworkers and help them learn new things that they may not have known.

Skills Used

I demonstrated honesty and responsibility at this job. I would help with many tasks at once and also get my duties done in the process.
