I am an experienced healthcare professional with 20 years in the nursing field. I have a desire to contribute to compassionate, quality patient care. I am seeking a challenging career opportunity to apply my skills. I have excellent administrative, clinical, and customer skills with the ability to work independently and complete assignments accurately and timely as well as working as a team to get any job done. I feel like I could be an asset to your company if given the opportunity.

Willing to relocate: Anywhere
