Committed to providing adequate patient care

Protecting hipaa rights

Assisting with ADLS

Certified Nursing Assistant

Swansea Rehabilitation & Health Care Center - Swansea, IL

July 2018 to May 2021

- Assisting in daily ADL, giving adequate patient care. Ensuring patients or residents receive appropriate diet by reviewing their dietary restrictions, food allergies, and preferences.
- Obtaining a wide range of information from physicians, caregivers and nurses about patient condition, treatment plans, and suggested activities.
- Measuring and recording food and liquid intake and urinary and fecal output and reporting changes to medical or nursing staff.
- Recording vital signs, including blood pressure, pulse, temperature, and respiration rate as requested by staff.

Certified Nursing Assistant

BRIA of Cahokia - Cahokia, IL

August 2017 to July 2018

As a certified nursing assistant, I am responsible for patient care & safety, medical terminology, vital signs & patient monitoring. I also assisted residents with activities of daily living including helping with meals, transferring using assistive devices, bathing, dressing and grooming. Provide high- quality patient care in nursing-home settings. I Preserved patient dignity and minimize discomfort while carrying out duties such as bedpan changes, diapering, emptying drainage bags and bathing.
