### **Additional Information**

---

During my work at Planned parenthood was chose numerous times as employee of the month, While working at VNS was given numerous recognition's for employee of the month. I am looking for a postion where I can keep growing my strengths and brush up on any weakness . BLS certified. IV certification, phlebotomy experience, Trained in Telehealth. I have a passion for helping people. I love being a nurse and making a difference even if that is just to help someone smile. My true passion is in LTC settings! To help those that can teach me about life is wonderful gift!
