I am a motivated CNA with 10+ years of hands on experience with Disabled, Geriatric and Rehab. I feel confident that my strong bedside manner and skill in providing quality care makes me an ideal match for your open CNA position. I've worked with special needs adults providing and documenting all personal care and rehab services such as feeding, bathing, and assisting with mobility. In summary I feel I am a strong candidate for the job because I have the knowledge and experience your looking for. Thanks for your consideration

Authorized to work in the US for any employer
