## Work Experience

---

### **LPN**

J. David Cranor MD - Fort Collins, CO

February 2021 to Present

Assistant to Dr. Cranor, phone triage, vital signs, phlebotomy, ECG and many other diagnostic tests, documentation

### **Stay at home mom/homemaker**

The Devine Home - Fort Collins, CO

February 2013 to February 2021

- Chef: I plan meals a week at a time. I shop for the groceries in order to prepare the meals planned. I prepare the meals, including all the prep that needs to be done in order to prepare the meals.
- Housekeeper: I keep the house in a reasonable shape by washing the dishes, sweeping the floors, cleaning the bathrooms, and do the laundry.
- Mediator: I have 2 children, when they have an argument, I give them a bit to resolve it themselves. If that doesn't happen, I jump in and try to help them solve their differences.
- Healthcare Provider: My kids get scraped knees, elbows, and hands all the time. The biggest thing I do is, clean up scrapes and put bandages on them. I also, make them comfortable when not feeling well.

### **LPN (Licensed Practical Nurse)**

HEALING GARDENS HEALTH CENTER - Fort Collins, CO

November 2010 to February 2013

- Perform basic medical procedures such as checking vital signs.
- Phone triage and calling patient back with doctor's advise.
- Administer vaccinations and injectable antibiotics.
- Administer IV vitamin infusions per doctors orders.
- Document information in patient's chart.
- Venipuncture: Draw blood and prepare the vials per directions

### **LPN (Licensed Practical Nurse)**

The Peaks Care Center - Longmont, CO

December 2009 to November 2010

- Communicate with Physicians to coordinate resident's care.
- Administer medications per resident's MAR (Medicine Administration Record)
- Document all actions and resident communications
- Delegate specific jobs to CNA's (Vitals, dressing, shaving, and bathing residents)
- Wound care to specific resident's per treatment record.

### **Lead LPN**

Fremont Children's Clinic - Henderson, NV

August 2007 to September 2009

- Phone triage and communicate physician's advice.
- All back office ordering (Ordering all medical equipment, including vaccinations and medications)
- Administering medications and vaccines per doctor orders.
- Write and go over in person employee reviews.
