Recently I have graduated from Riverside City College School of Nursing. During my final semester, I spent 18 weeks on the fast-paced Telemetry/Med-surg unit at Riverside Community Hospital and 6 weeks at Arrowhead Regional Medical Center Medical ICU. By the end of my clinical rotation, I was effectively managing two patients and had the opportunity to team lead two to three student team members. My duties included: physical assessment, medication administration, blood products administration, post-op recovery, patient education, assisting with procedures and charting using the electronic medical record.

Authorized to work in the US for any employer
