Work Experience

RN Branch Manager

Complete Hospice & Palliative Care - Sallisaw, OK
December 2020 to Present

I am responsible for coordinating care of terminally ill patients. I coordinate with staff members to ensure quality care

RN Emergency Department

HPI Community Hospital south - Oklahoma City, OK
February 2020 to Present

I am responsible for the operations of the ER and the staff in which I worked with. I was responsible for collaborating with the care team, to provide the highest quality of care in a timely manner.

Temporary RN Case Manager

Rose Rock Hospice - Tulsa, OK
Present

I provide bedside care to terminally ill patients. I provide support and care to the families of these patients, and work closely with the team to ensure the best care.

Clinical Manger

Cima Hospice Sallisaw OK - Sallisaw, OK
January 2019 to September 2019

I was responsible education of the staff, nurses and physicians. I reviewed documentation and ensured it was appropriate and in compliance with Medicare guidelines. I was responsible for daily operations that ensured our clients received the highest quality of care.

RN Er

McAlester Regional Hospital - McAlester, OK
May 2018 to July 2019

I was assigned to 4 rooms and 1 trauma bay. I cared for critically ill patients of all ages. I collaborated with a care team to provide efficient and timely care. I was also assigned to triage at times and was responsible for determining the level of care the patient needed upon arrival to the ed.

Charge Nurse

EOMC ER

November 2015 to June 2018

RN Er

Latimer County Hospital - Wilburton, OK

July 2015 to November 2015

I was assigned to a 3 bed ER. I collaborated with a care team, to provide quality care and to transfer patients to a larger facility to ensure they received the care that was appropriate.

RN Er

Latimer County Hospital - Poteau, OK

July 2015 to November 2015

I was responsible for the operations of the ER and the staff in which I worked with. I was responsible for collaborating with the care team, to provide the highest quality of care in a timely manner.

Transitional Care Manger/ RN Case Manager

Cima Hospice Sallisaw OK - Sallisaw, OK

January 2015 to July 2015

I was transitional care manger and I worked with Home health and Physicians to transition clients to the care that was appropriate for their health care needs. I would review charts and meet with families to discuss their needs and set up appropriate homecare. I also had a case load of 24 hospice patients that I provided care for them in the home. I performed admissions and death visits.

RN Case Manager

Advantage Hospice

October 2014 to January 2015

Advantage Hospice Poteau ok

I was an RN Case Manager, I was responsible for providing comfort care in the home. I was directly involved in the care of 18 patients on a day to day basis. I collaborated with the care team, chaplain, social work, physician and aides, to ensure that patient was receiving the best care possible while maintaining comfort and dignity of the client. I also performed admissions and end of life visits.

RN Case Manger

Heartland Hospice - McAlester, OK

June 2012 to October 2014

I was an RN Case Manager, I was responsible for providing comfort care in the home. I was directly involved in the care of 24 patients on a day to day basis. I collaborated with the care team, chaplain, social work, physician and aides, to ensure that patient was receiving the best care possible while maintaining comfort and dignity of the client. I also performed admissions and end of life visits

RN ER McAlester Regional

McAlester Regional Hospital - McAlester, OK

June 2012 to December 2013

I was assigned to 3 rooms and 1 trauma bay. I cared for critically ill patients of all ages. I collaborated with a care team to provide efficient and timely care. I was also responsible for triage, and proper assignment of the level of care that the patient needed, upon arrival to the Ed.

RN Case Manger

Rainbow Home Health - Talihina, OK

April 2012 to August 2012

I was assigned to case manage homebound patients that needed assistance with regaining their ability to perform their ADL'S. I worked with the physician and physical therapist to ensure the patient regained their optimal level of functioning.

RN ER Choctaw Nation ER

Choctaw Nation Indian Health Care Services Talihina OK - Talihina, OK

April 2011 to April 2012

I was assigned to 3 rooms, 1 observation room and 1 trauma bay. There I was responsible for triage periodically throughout my shift. I collaborated with a care team to provide optimal care for emergent and non-emergent clients. We frequently celebrated with other facilities for transfer to a higher level of care.

RN Branch Director Rainbow Home Health

Rainbow Home Health Talihina OK - Talihina, OK

July 2010 to April 2011

I oversaw daily operations of a home health office. I collaborated with a team of nurses and physicians to provide quality care in the home of patients that were home bound. I was responsible for aiding the staff in decision making and problem solving.
