Registered Nurse

PRISMA HEALTH BAPTIST HOSPITAL - Columbia, SC

June 2016 to January 2019

Worked as the only staffed weekend orthopedic surgery RN

Assess, review and evaluate medical history, clinical condition and surgical criteria of patients presenting in hospital after hours with orthopedic medical issues.

Collaborate with the Anesthesiologist, Anesthetists, and Surgeons to determine surgical necessity, options and plan for patients after hours and on weekends.

Implement Surgical plan by scheduling the surgery, contacting all members of the on call surgical team, independently determining and gathering all supplies, instruments, and equipment needed, contacting and coordinating with sales reps and other departments, finding appropriate implants and special surgical items from other facilities when appropriate, setting up and maintaining the sterile field, ensuring the safety of the patient and surgical team at all times while utilizing resources to provide cost effective care. Accurate and thorough computer charting of all assessments, plans, interventions and evaluations using various different computer programs and systems throughout entire shift.
