Work Experience

RN Care Manager

US Department of Veterans Affairs - Augusta, GA
November 2020 to Present

I'm currently working in a busy, fast paced Primary Care Clinic as part of two PACT teams. Some of My duties include:

- Following up on Veterans with complex medical diagnoses post discharge from the hospital /ER visits
- Delegates necessary workload to LPN's and other interdisciplinary team members.
- Fulfills environmental rounds/glucometer checks/code cart checks
- Compassionate and caring
- Using CPRS/Vista/MHV/Outlook/Teams
- Answering alerts/secure message
- Triage Veterans via in person, over the phone, and through video.
- Nurse visits/walk ins
- Vaccine administrations
- RRT (carrying the pager and responding to rapid responses for the week)
- Follow up on CAN scores and having goals of care conversations (end of life conversations)
- Working at the top of the scope of my license
- Submitting consults when appropriate, renewing medications, submitting labs and imaging
- Coordinating community care and collaborating with the Community Care team

Admissions RN

Joliet Area Community Hospice - Joliet, IL
October 2017 to September 2020

I meet with patients and families to discuss end of life care, goals of care, complete sign ups, evaluate for hospice appropriateness and obtain approval from the Attending physician and Hospice physician. Documentation and development of plan of care and coordination of DME and comfort medications. Collaboration with the SW/CM with Discharge planning from hospitals or nursing homes and set up transportation. Once patient is at their chosen location, I would go and complete the hospice admission. Provide on call case management visits for crisis intervention and symptom management.

Admissions RN/CNL

Seasons Hospice & Palliative Care - Burr Ridge, IL
January 2016 to October 2017

I meet with patients and families to discuss goals of care and end of life care before completing sign ups. Evaluate for hospice appropriateness and obtain approval from the Attending physician and Hospice physician.

Documentation and development of plan of care and coordination of DME and comfort medications. Discharge planning collaboration with CM/SW at hospitals or nursing homes and arrangement of transportation.
