Hello my name is Makaylla Sprake I am 20 years old. I graduated high school in 2020. I was taking my cna in high school. I did clinical's in the same day care unit in mosaic life care my junior year. My senior year I did clinical's at living community. Unfortunately I broke my leg in a very bad car accident and could not finish. when I Graduated I started to do my surgical technologist but I stopped for personal reason. One day I want to work with kids in physical therapy. I am going to school for my medical assistant.
