Good Day,

I was pleased to learn of your need for a dedicated Nurse. Having solid experience and education with complex acute patient care, family relations and staff development, I am prepared to become an immediate contributor to your dedicated medical team.

The following are highlights of my qualifications and accomplishment:

- ICU RN with ACLS, BLS, FCCS, NIHSS certifications.
- Frequent commendations by patients and families for providing exceptional care and thorough follow through regarding patient and family needs.
- Dedicated team member with a strong work ethic, uncomplicated personality, ability to adapt to any situation, all while providing impeccable patient care.
- 8 years of military service with high regard to team dynamics and the need be at your most advantageous mindset during high stress engagements.

I have enclosed my resume for your review. I can promise that meeting with me will not be a waste of your time—and I will make myself available at your convenience, during or outside of normal business hours and I welcome the opportunity to discuss with you personally how my skills and strengths can best serve your multi-disciplinary team.

Respectfully,
Seth A. Sanford, RN
