## Work Experience

---

### **Student**

Middlesboro, KY

August 2019 to December 2021

As a student I was required to attend clinical and also complete 120 hours of a clinical preceptorship. Through clinical and preceptorship, I am confident in bedside manner, my nursing skills and my education. I am competent in foley Caths, IV insertion, medication administration, assessments, and many other skills.

### **Babysitter**

Corbin, KY

May 2014 to August 2020

With this job I was responsible for 2 children. I started baby sitting when the you best child was 6 months old. I was in charge of feeding, helping around the house, picking the oldest child up from school and the basic needs that the children needed while the parents were away. This was a great job while I was in high school and also up until the time that I had my own son.
