I am an RN licensed in the states of California, Indiana and Arizona. I have over 10 years experience in behavioral and holistic healthcare. I have worked as Director and RN Supervisor in an acute psych unit (PHF). I was also Clinical Director, RN and case manager/counselor for residential behavioral health treatment and detox. I have worked in hospice for three years, broadening my horizons and gaining varied experience. I became the Director of Clinical Services for a large Hospice in San Diego. I am very dedicated with such a strong work ethic that I have always been promoted. My history includes working as a Realtor which adds to my ability to see the big picture and fiscal side of operating a business. Spirituality is of utmost importance to me. I love spending time outdoors, meditation and yoga practice for self-care.
