Work Experience

Caregiver

New perspectives

March 2018 to Present

This job has been amazing I have learned very fast. I am a caregiver/med passer, I mainly work in the memory care unit helping the residents feel safe and comfortable but I also work in assisted living helping people with their daily living. I look forward to new experiences and meeting new people!

Daycare Assistant

Caras daycare - Hamburg, MN

January 2010 to Present

My mom owns a day care and after I'm done with work I'll usually help out there and on my days off. I have been assisting with day care since I was 12 many years experience with kids

Customer Service Representative

Petco - Chaska, MN

March 2017 to February 2019

To help pets and owners have a fun easy time in the store. I would also help with dog training and grooming but would mainly be out on the floor interacting with all the pets.
