Work Experience

Assistant Teacher

Marie's Christian Kids Care - Cairo, MO

October 2018 to Present

I assist the child in daily needs such as brushing our teeth, going to the restroom, and help with their outfits when needed. Also provide nutritional foods three times a day. Along with also caring for their emotional and physical needs

CNA - Certified Nursing Assistant

Provision Living - Columbia, MO

February 2018 to November 2018

I helped the patients with their daily activities such as bathing, getting dressed, brushing their teeth, and hair care. I also helped transport(ambulatory or pushing them in their wheel chairs) the patients to meals, therapy appointment, or hair appointment. I also helped these patients with anything else that they may have needed me to do for them such as maybe they just wanted someone to talk to or grab something they forgot, or help them with a activity such as putting the recliner out so they can stretch their legs out now.

excellent customer service
