## Work Experience

---

### **Registered Nurse/ ED RN**

Advocate Lutheran General Hospital - Park Ridge, IL

January 2012 to Present

Park Ridge, IL; Jan 01, 2012 to Current

Charge nurse in a level I trauma center and a certified comprehensive stroke center that specializes in emergency, stroke, cardiac, and pediatric care practicing efficient throughput, quality patient care delivery and use of critical thinking skills in a fast-paced environment while ensuring safety for patient and staff.

Serves as ECRN medical control to region 9 emergency medical system for 6 towns, (Park Ridge, Niles, Morton Grove, Glenview, North Maine, and Norwood Park) while collaborating with ED physicians and paramedics following SOP guidelines.

Displayed leadership ability as the lead safety coach of the ED safety committee and as the primary unit safety coach motivator.

Provided monthly education for clinical team on application of high reliability safety principles in a clinical setting

Spearheaded a multidisciplinary safety team that included physicians, RNs, NCTs and unit secretaries, performing event type trending via Midas safety reports, facilitating safety projects by gathering data and feedback from front line staff and providing information back to medical and nursing leadership team on a monthly basis.

Point of contact for safety initiatives within Emergency Department and ED safety representative for the hospital.

### **Advanced Nurse Practitioner**

Advocate Lutheran General Hospital - Park Ridge, IL

March 2020 to October 2020

- Rounded and collaborated with a general cardiologist in the inpatient setting seeing 10-20 patients on a daily basis and communicating with consulting physicians.
- Performed comprehensive and cardiology-focused history and physical assessments and accurately documented findings and management plans on EMR (EPIC).
- Demonstrated diagnostic reasoning skills and developed plan of care for ongoing health promotion and health maintenance using evidence-based guidelines in collaboration with a general cardiologist.

**Registered Nurse, Medical Telemetry**

Advocate Lutheran General Hospital - Park Ridge, IL  
November 2007 to December 2011

Ensured delivery of safe quality care of patients with acute and chronic renal failure, coronary artery disease, unstable angina, syncope, CVA, pneumonia and patients needing peritoneal dialysis.
