travel contract assignment

performed duties of field case manager with average patient load 20-25 patients weekly

case manager/ field nurse home health

VNA of Care New England - Warwick, RI

August 2015 to November 2015

Responsibilities

home care nurse/case manager for approximate 30 pt caseload, responsible for recertifications for Medicare, admissions, discharges, coordination of care including rehab services. This was a travel contract for 12 weeks. I was asked by this company to extend my contract but with all family located in Tennessee, this was not an option for me.

RN

St. Francis Bartlett

October 2011 to August 2015

2north. med/surf telemetry RN staff nurse. served in role as charge nurse as well

Case Manager

Methodist Alliance Home Health Care - Memphis, TN

December 2011 to March 2013

Serve in role as case manager for home health population generally consisting of 25-30 patient load

RN Supervisor

Maplewood Health Care Center - Jackson, TN
March 2011 to December 2011

Serving in the role as supervisor of a 160 bed SNF unit. Supervisory duties including monitoring all departments and supervision of an average of 30 employees daily.

RN Nurse Clinician III

University of Texas Medical Branch - Galveston, TX
November 2000 to February 2011

I worked many areas in my 10 years at UTMB. Most recent clinical experience was in the area of postpartum, antepartum, gym onc, oncology and med surf worked all ,primarily inpatient and outpatient cancer treatment areas. I also worked in the cancer ambulatory clinic at UTMB.

CMSI Travel Nurse

Baptist East Hospital - Spring, TX
January 2000 to November 2000

Texas

Travel Nurse: During this time frame, I worked as a travel nurse at Baptist East Hospital in Memphis, Tennessee. I worked on the oncology unit. I provided care for both hematology and oncology patients. Administered chemotherapy under the direction of the physician. I did three 13 week contracts at Baptist East.

Assistant Director of Nursing

Maplewood Health Care Center - Jackson, TN
April 1996 to January 2000

for 160 bed skilled nursing facility. Supervised approximate average of 65 employees. Responsibilities also including monitoring employee compliance to state and federal health care provider regulations.

nurse clinician 3

Tennessee Oncology - Nashville, TN
June 1994 to April 1996

Nashville, Tennessee

Provided care for patients enrolled in standard chemotherapy protocols and for patients enrolled in Phase I and Phase II clinical trials in an outpatient clinical setting. Traveled one day a week to a rural satellite clinic accompanying physician as he provided care.

New graduate nurse

HCA Regional Hospital - Jackson, TN
April 1988 to September 1992

Staff RN on a 42 bed orthopedic inpatient unit.

Explanation of breaks: During the first part of my nursing career, I had a child born with multiple cardiac anomalies. He expired at age 4. Breaks in employment were due to the necessity of caring for him.

Additional Information

I am seeking a remote ,work from home ,RN position. As a clinical/administrative RN with I have over 33 years experience in a variety of health care settings. My strongest qualities are that I am detail oriented. I have HEDIS knowledge acquired through administrative duties such as chart extraction and chart monitoring for QA programs. I am knowledgeable of ICD 10 coding. I am proficient with Microsoft, Word, Excel, and Power Point. I am currently enrolled in an ICD 10 coding class at Penn Foster College. I have recent clinical experience in a variety of settings. I was oncology certified for 15 years. I have practiced in all areas of adult cancer care, inpatient and outpatient, med-surg, and post op. I have for many years served in the role as charge nurse in various different units. I have acquired advance knowledge of leadership qualifications as I have served as Assistant Director of Nursing for 1996 to 2000 at a 160 bed SNF.
