Introduction:

A professional healthcare provider seeking to utilize transferable skills coming from a level 1 trauma hospital to excel in a new environment. Combined with my education and past work experiences I am hoping to obtain a position as a Registered Nurse.

Current Experience

Perioperative Nurse- Acute Critical Care and General Surgery Level 1

Barnes Jewish Hospital; Saint Louis, Missouri; October 2020- current

- Assess patients prior to surgery and alleviate their concerns
- Gather all supplies prior to surgery
- Assume the responsibility of keeping the operating field sterile
- Position and prepare patient on operating room table
- Pass medical instruments and other objects to the surgeon during the operation
- Monitor patients' vital signs during surgery and immediately post-op to detect anomalies
- Adhere to safety standards and precautions
- Assume duties within or out of the sterile field as assigned
- Prepare specimen collections as designated by the surgeon

Student Nurse Internship- Cardiac Telemetry Unit

SSM /DePaul Hospital; St. Louis, Missouri; December 2019- May 2020

Public Health Internship- Communicable Disease Department

City of St. Louis Health Department; St. Louis, Missouri; June 2016-August 2016

Education

Goldfarb School of Nursing at Barnes Jewish College
