## Work Experience

---

### **RN**

Beebe Healthcare - Lewes, DE

January 2018 to Present

I am currently working as a Cath lab nurse in the holding area. I prep patients for cardiac catheterizations, pacemakers, ablations as well as vascular procedures. I also recover these patients postoperatively. I perform EKGs and work closely with MD in TEE/Cardioversion procedures while using moderate sedation. I am experienced with cardiac meds (po, push and iv) and administer frequently.
