Work Experience

LPN (Licensed Practical Nurse)

Accura Healthcare - Cherokee, IA

June 2020 to Present

I have experience with medication administration, I was a medication aide for 5 years prior to nursing school. I also have experience in taking a blood glucose test, giving insulin injections, administering eye drops, ear drops, topical creams/ointments. Assessments including all vital signs, lung sounds, bowel sounds, assessing edema as well as administer medications through a PEG tube along with feedings, irrigating urinary catheters, changing ostomy appliances, trilogy machine.

CNA - Certified Nursing Assistant

Accura - Cherokee, IA

August 2015 to Present

I currently held 14 years of CNA experience. I helped the residents with their activities of daily living including, peri care, dressing, washing faces and brushing teeth, along with bathing, nail clipping, walking to restroom, dining, living, etc. ROM, assisting resident with feeding, providing comfort when needed and assisting nurses with tasks that were within my scope. Direct care as in changing residents every 2 hours, if not sooner and changing bed linens and providing fresh linen. Absolutely loved taking care of hospice residents.
