Work Experience

Administrative-RN

Buckhorn Children and Family Services - Buckhorn, KY

May 2020 to Present

The Job title is campus RN. Within this title I am responsible for all aspects of medication administration on the campus. The direct care staff are responsible for administering medication, so i supervisor that process. I am also in charge of the medication administration training. I also work hand in hand with other administrative staff in reviewing and creating new medical related policies and procedures.

Staff Nurse

KENTUCKY RIVER MEDICAL CENTER - Jackson, KY

April 2020 to October 2021

Currently PRN at this location. Here I have worked Med/Surg, ICU and ER.
