

Upcoming Milestones for Your Loan

Learn what to expect next by reviewing key milestones for your loan below.

1 Activate Your Account

- ▶ Activate your loan within 30 days at www.greensky.com/activate.

2 Register on the Customer Portal

- ▶ Register at www.greenskyonline.com to manage payments, set up autopay/paperless billing, and view statements/loan documents.
- ▶ Set up your profile using your Application ID and a valid email address.

3 Transact on Your Account

- ▶ Make purchases with your merchant through your Purchase Window Expiration Date. Simply provide them with your Shopping Pass¹ and a valid photo ID.
- ▶ You will be notified when a purchase is made on your account. The notification will inform you of any action required.
- ▶ **You will only be responsible for the total amount purchased on your account.** The approved Credit Limit is not reported to credit bureaus unless that limit is the amount you spend.

4 First Statement Available

- ▶ Receive your first statement in 15-25 days after your first transaction, depending on your plan. You will receive monthly statements for the life of your loan.
- ▶ Use your bank account to make payments. Credit cards and debit cards are not valid payment methods.
- ▶ There are multiple, easy ways to make a payment:

Online

Log into the Customer Portal to make a payment or pay as a guest. You can also use your bank's online bill pay method.
