I am a professionally trained Registered Nurse with experience ensuring high standards of care for a wide variety of patients with diverse needs. Accomplished RN who proudly maintains a highly productive, efficient and quality-driven environment at all times. Responsible nurse with excellent communication skills demonstrated by 15 years of experience in healthcare. I am an RN with strong critical thinking and people skills. I am a proactive employee who adapts easily to changing environments and demands. Patient-focused healthcare provider.

Very proficient in patient care and successful in working as part of a team to treat a wide range of medical conditions. Skilled in prioritizing patients' needs within high-stress environments. Patient-focused team player. Registered Nurse who has worked in a variety of clinical settings providing nursing care to diverse populations. I love to keep up to date on the newest research in Nursing care and am not afraid of a challenge. Giving my patients the best care possible is always my goal and I strive to be the best employee that I can.

Authorized to work in the US for any employer

## Work Experience

---
