Work Experience

Registered Nurse

HSHS St. John's hospital - Springfield, IL
October 2021 to Present

Registered nurse in the Emergency Department taking care of patients of variable age and with variable health conditions. I can multi task in a fast paced environment and am very skillful in wide range of nursing procedures.

Junior Sister

Royal Surrey NHS Foundation Trust - Guildford
Present

I am a junior sister in the Emergency Department of Royal Surrey NHS Foundation trust. I have encountered different patients with different presenting complaints and situations hence I think it's a plus for me in doing assessments with your clients.
