## Work Experience

---

### **Registered Nurse**

OSF HealthCare - Peoria, IL  
October 2021 to Present

I am a Clinical Resource Nurse. This means that I travel to different OSF hospitals to help with low staffing on the Medical Surgical Floors. I perform patient assessments, obtain vital signs, perform medication administration, wound care and provide education on medication and disease management. I also am experienced in EPIC and Cerner charting systems.

### **Registered Nurse Lead Charge**

OSF Saint Clare formally Perry Memorial Hospital - Princeton, IL  
November 2020 to October 2021

I performed patient assessments, obtained vital signs, performed medication administration, wound care and provide education on medication and disease management. When I left this position I was a Lead Charge RN. I am experienced in EPIC and Cerner charting systems as well.

### **Home Health Registered Nurse**

OSF HealthCare - Ottawa, IL  
March 2018 to November 2020

My RN duties for this job include the following; general assessment, vitals, wound care, patient medication education, patient disease management education. Computer charting, case management of patients of all complexity.

### **Registered Nurse**

Aperion Care - Toluca, IL  
August 2017 to March 2018

My RN duties for this job included; patient assessment, vital signs, medication administration, wound care, patient charting.
