## Work Experience

---

### **ER Nurse**

Malcolm Grow Medical Center - Andrews AFB, MD

Present

ER RN, Emergent Care Center, 316th Healthcare Operations Squadron, Malcolm Grow Medical Center. Andrews AFB, MD

Acts as Charge Nurse. Manages the care of less acute to critically ill patients in the ECC, to include triaging, emergent transports, STEMI and stroke care, cardiac and blood thinning infusions, respiratory interventions, and trauma care. Directs patient flow as Charge RN and responds to facility code blue medical emergencies. Served as Interim Element Leader, sustaining ECC operations with critically low manning while managing the nursing schedule.

### **Registered Nurse**

U.S. Air Force - Niger, Africa

March 2020 to October 2020

ICU RN, 768th Expeditionary Airbase Support Inpatient Medical Group, Niger, Africa

One of four critical care nurses hand-selected to establish the novel pandemic response medical team for United States Africa Command. Rapidly initiated a twenty-four hour operational inpatient and critical care facility, enabling population health safety and continual operational capacity for Air Forces Africa and Special Operations Command missions. Managed care of US soldiers and base population at the height of the COVID-19 pandemic. Screened and cared for patients that contracted COVID-19. Ensured base restriction of movement adherence and healthy base populous. Assisted Ground Surgical Team in trauma bay to stabilize patients upon arrival and mass-casualty occurrences. Authored 5 ICU Operating Instructions at the novel COVID-19 medical treatment facility.

### **RN- ER/Trauma/ICU**

John C Lincoln Medical Center (USAF RN) - Phoenix, AZ

June 2017 to June 2018

Emergency Trauma Fellow, USAF Critical Care and Emergency Trauma Nurse (CCENT) Fellowship, Scottsdale, AZ

Completed 5 week didactic/10 month supervised patient care in ER and ICU at a level 1 trauma center. Managed care of patients with critical emergent injuries and illnesses requiring intubation, ventilators, codes and trauma patient care.
