Psych House supervisor -Mayhill Hospital - Denton, TX, November 2016 –March 2019

Assigns duties to the staff and reports to the nurse manager. Prepares schedules and delegates nursing assignments for the unit. Checking the environment and equipment to ensure patient safety falls under the charge nurse's many responsibilities. A charge nurse serves a multi-tasked role as a leader, a teacher and a self-starting organizer. Communicated with physicians, pharmacists, therapists, families, and other department administration to make sure patients received optimum care.

Weekend supervisor / Charge nurse- Highland Pines Rehab and Nursing Home- Longview, TX, July 2015 to August 2016

Worked the floor providing patient care, passing medications, delegating tasks to UAPs, passing medications, perform head-to-toe assessment for a diverse population of patients. Cared for a minimum of sixteen patients during

a shift. Completed detailed patient admission and discharges. Communicated with physicians, pharmacists, therapist, families, and other department administration to make sure patients received optimum care.

Weekend Supervisor- Supervised nursing services for the weekend staff. Followed the set standards of care and ensured that professional and skilled care was provided to residents of the facility. Assisted in resolving and aiding problems that occurred in the facility. Fulfilled policies and objectives established by the facility and made sure that structure was maintained in the facility. Handled staffing problems and sometimes aided on the floor with admissions and assessments as needed. Contacted the administrator when a problem arose that I couldn't handle or that needed the attention of superior staff.
