OBJECTIVE

Patient-focused and compassionate professional seeking a Registered Nurse position to contribute to the total well-being of patients both in and out of the hospital setting, aid in my professional growth, and gain experience in an area where my nursing skills and critical thinking may be utilized.

CAREER PROFILE

- Patient advocate; uphold the highest standard of nursing care
- Proven record of reliability and responsibility
- Remain calm and professional throughout critical incidents
- Strong analytical skills; capable of assessing conditions and implementing appropriate interventions
- Resourceful problem solver
- Special sensitivity to meeting diverse needs in varied situations
- Develop rapport with patients, family, staff, and physicians
- Relate well to people from a variety of cultures.
