Professional Experience

Heartland Home Health & Hospice
Registered Nurse PRN

Wichita, KS
2014 to Present

Travel throughout Wichita and the surrounding area to provide skilled nursing care to all ages of patients in the home, administering care to patients including post-surgical, knee/hip replacement, open heart surgery, diabetes, congestive heart failure, and wound care. Administer medications, assess needs, perform vital signs, IV infusions and PUSH, process patient charts, and patient education.

- Collaborate effectively with physicians, physical therapists, occupational therapists, speech therapists, and medical staff to ensure consistency and provide high quality care to patients.
- Prepare, maintain, and reconcile accurate medication administration records with physicians.
- Serve as an effective liaison between patient, family, and physicians.

Select Specialty Hospital
Registered Nurse PRN

Wichita, KS
2012 to Present

Provide skilled, high-quality nursing care to adult patients in a 60-bed long term critical care unit. Perform patient assessments, take vitals, administer medications, analyze needs, and document patient condition, treatment, progress, and other pertinent information relative to status. Maintain a calm, caring environment throughout shift. Provide patient and family education.

- Recognized as "Nurse of the Month" for consistently delivering excellent care to patients.
