Charge RN

St Catherine Memorial Hospital - New Orleans, LA

May 2017 to June 2018

Conducted screening, diagnostic treatment and rehabilitative and supportive services as the senior nurse on a primary health care team. Recorded patients' medical history, vital statistics and test results in medical records. Directed facility's LPN program including recruitment, enrollment, budgeting and instruction. Trained many new LPNs annually. Delivered high-quality and compassionate treatment to indigent and low-income patient community. Developed and maintained quality care systems and standards, including but not limited to, creating and improving medical protocols/guidelines. Sound, ethical and independent decision-making ability consistent with medical protocols. Disciplined, energetic employee who quickly establishes rapport with patients and colleagues. Supervised ancillary staff.

Emergency Room Staff Member

St Tammany Parish Hospital - Mandeville, LA

2018 to April 2018

provided medical care and specialized treatment to patients who are either critically injured or seriously ill. Skills incorporated into ER Nurses include performing phlebotomist's tasks and EKGs on a nightly basis. Continuously assessing for changes in the patient's condition and keeping direct communication with physicians and other members of the health team regarding said changes.

Patient Care Case Manager

Canon Hospice - New Orleans

Responsible for patients' total care provided by RN staff. Designed Care Plans to meet the patients' needs. Took on call at night for emergencies. Collaborated with Physicians, Director of Nursing, chaplains, social workers and Pharmacists.

Registered Nurse (RN)

West Jefferson General Hospital - Marrero, LA

May 2011 to May 2017

Accurately documented all elements of nursing assessment, treatments, medications, discharge instructions and follow-up care in the Emergency Room. Took and recorded patients' temperature, pulse and blood pressure. Utilized strong assessment skills to determine necessary patient care. Obtained vitals for a floor of 25 patients per shift. Provided quality nursing care in accordance with resident care policies and procedures. Worked as part of team to ensure proper care of body mechanics and safety

of patient. Partnered with team of Registered Nurses to ensure over all well-being of all patients. Often commended for maintaining the safety, respect and dignity of residents. Coordinated with doctors and registered nurses to develop care plans for patients. Prepared for HIPAA and JCAHO reviews, ensuring required brochures and pamphlets were available to patients in all clinics. Interviewed patients to obtain medical information and measure their vital signs, weight and height.

LPN/RN Float Nurse

East Jefferson General Hospital - Metairie, LA
November 2011 to January 2016

Recorded patients' medical history, vital statistics and test results in medical records. Delivered high-quality and compassionate treatment to indigent and low-income patient community. Monitored post-op vitals, set up PCA, fluids, reviewed post-op orders and orient patients to unit. Actively participated in unit-based Quality Assurance Program. Provided palliative care in outpatient settings ranging from assessment to development and implementation of care plans. Sound, ethical and independent decision-making ability consistent with medical protocols. Disciplined, energetic employee who quickly establishes rapport with patients and colleagues. Performed all tasks with a patient-centered focus while seeking opportunities for improvement of processes and treatments. Assisted patients with healing and recovery after surgery. Provided patient diagnosis under strict time constraints. Monitored unit budget to ensure financial objectives were met. Evaluated patients presenting with asthma, appendicitis and hernia. Provided education to patients on detox and withdrawal, medications, addiction, recovery, coping skills and community resources.
