Authorized to work in the US for any employer

## Work Experience

---

### **Health Care Specialist**

Lincare Holdings - Hays, KS

September 2019 to Present

At my current job I schedule and set up patients on different medical devices such as bipap, non-invasive ventilators and mdi machines. I also monitor compliance and address any issues the patient may have.

### **Nursing office manager**

Rush county medical clinic - La Crosse, KS

April 2017 to September 2019

As clinic manager I assessed patients and worked directly with the providers. I administered shots, checked vitals and charted in patients' EMR. I was also responsible for scheduling outpatient procedures.

### **Licensed Practical Nurse**

Homestead of Hays - Hays, KS

June 2015 to April 2017

I worked in an assisted care facility helping residents with daily activities, passing medications and assessing patients' vitals.
