Work Experience

Neurology Nurse (LPN)

Cottage Clinics - Galesburg, IL

June 2020 to Present

My job duties are to assist the Neurologist:

- Take detailed health care histories.
- Listen to patients and analyze their physical and emotional needs.
- Provide counseling and health care education to patients.
- Coordinate care and report all concerns to the neurologist.

Staff Nurse

Cottage Medical Arts Clinic - Galesburg, IL

January 2012 to June 2020

Roles as triage nurse.

- Record medical history and symptoms.
- Collaborate with teams to plan for patient care.
- Advocate for the health and wellbeing of patients.
- Monitor patient health and record signs.
- Administer medications and treatments.
- Operate medical equipment.
- Perform diagnostic tests.
- My accomplishments were to provide exceptional care to every patient. I strived to listen to their needs and concerns. I collaborated this information to the physicians to help create a care plan for the patient.

Nurse Supervisor

Heartland Health Care

January 2002 to January 2011

My job duties as a Nurse Supervisor:

- Take detailed health care histories.
- Listen to patients and analyze their physical and emotional needs.
- Provide counseling and health care education to patients.
- Coordinate care and concerns to primary physician.
- Supervise the staff assigned to my hall.
- Provide wound treatments and medications.
