Great communication / self-motivation / adaptability / ability to work under pressure / decision making / time management / creativity / knowledge in EPIC charting system /

Work Experience

Unity Point Health Methodist-Surgery REGISTERED NURSE:

July 2020 to Present

I currently work as a circulating nurse in orthopedics and neurology. I work with a large team to make sure that the operating room is running sufficiently so each patient has a safe and good outcome while focusing on the Unity Point Health FOCUS values.

PATIENT CARE TECH- Medical Surgical

Unity Point Health Methodist

October 2019 to July 2020

I worked alongside nurses to provide healing care to every patient. I worked in a PRN position to continue learning skills and improving my bedside manner.

Ed Tech/ PCT

OSF St. Francis Medical Center

October 2016 to January 2018

I worked alongside nurses to provide the greatest care and love to each patient that I saw in the hospital. I worked very hard on an inpatient surgical floor to begin with then transferred to the Emergency Department to gain more medical knowledge.

Education
