HEALTHCARE EXPERIENCE

Sycamore Place, Memphis, TN (05/2018- Present/PRN)

Health and Service Director- BSN RN

- Provision of direct patient care while overseeing nursing staff. Duties include establishing goals for the nursing department, evaluating and directing nursing employees/assistants, and creating and enforcing healthcare policies. Following up with orders, auditing medication carts, and completing assessments on prospect residents.

Brookdale at Dogwood Creek, Germantown, TN (07/2014 - 05/2018)

Licensed Practical Nurse, 01/2017 - 05/2018

- ◆ Provide nursing services to residents, while promoting the highest level of well-being, as directed by management. Administer medication and treatments according to health care providers orders and state regulations. Assist resident care coordinator in creating individualized service plans based on resident needs. Supervise and direct nursing assistants as needed. Monitor resident responses to treatment plans and identify adverse medication interactions, alerting the resident care coordinator of any issues. Update resident records with information regarding nursing care, treatment plans and observations

Lead Nursing Assistant, 07/2014 - 01/2017

- ◆ Provided direct care to residents following an individual service plan, treats each person with respect and dignity; recognizes individual needs and encourages independence. Assisted residents with activities of daily living to include: bathing, dressing, grooming, and toileting. Transferred residents to and from activities and meals according to their individual needs. Served meals to residents in the dining room or their apartments. Observed and recorded changes in residents eating habits and reported updates to supervisor. Fostered a home-like environment throughout the community by encouraging independence and participation in activities and provided emotional support. Assumed supervisory role in the absence of community managers including the direction of resident care staff problem resolution.
