PROFESSIONAL EXPERIENCE:

(July 2019-Dec. 2021) Clinical Nurse: 4th floor, BMT unit
Federal Medical Center, BOP, Lexington, KY
Provide nursing expertise in medical/surgical, mental health and other specialty units throughout the institution. Responsible for

comprehensive nursing care to patients where nursing care is provided, promote consistency in performance and ensure safe patient care is provided, serves as a resource person for other nursing staff. Pass medication and ensure that there is no diversion of controlled medication by inmates. Provide wound care to inmates with chronic wounds. Provide full nursing care for bed-bound inmates. Train and monitor inmate workers in their duties with patients. Along with all other correctional institution employees, incumbent is charged with responsibility for maintaining security of the institution. The staff correctional responsibilities precede all others required by this position and are performed on a regular and recurring basis.

(April 2007-July 2019)

Registered Nurse; Emergency Department

Ephraim McDowell Regional Medical Center; Danville, KY

Responsible for care of pediatric, adult, and geriatric patients requiring urgent and emergent care, health reaching for ill and family, health prevention and maintenance, and medication administration. I also train all new employees in the emergency room and am a preceptor for nursing and paramedic students that train in the emergency room.

(July 2006-April 2007)

Registered Nurse; 3rd Floor-Oncology, Pediatric, Med/Surg

Ephraim McDowell Regional Medical Center; Danville, KY

Responsible for care of oncology, pediatric, adult and geriatric patients, utilizing the nursing process, nursing standards and physician's orders, plans, provides and directs care and teaching to patients and family members. I performed acts requiring specialized knowledge and nursing skill in the application of the nursing process including care, counsel and teaching of the ill, maintenance and health prevention, and medication administration. Participated in direct patient care, leadership of self and others.
